DI PERUGIA

IEEE MetroAgriFor 2022 Program Committee solicits proposals for special sessions within the technical scopes of the Workshop.

Special sessions have the main aim of creating a mini workshop on a specific topic, where researchers working on the same argument can make knowledge, familiarize, exchange ideas, create cooperation.

Researchers interested in organizing special sessions are invited to submit a proposal through the form available at the following URL:

<http://www.metroagrifor.org/special-session-proposal>

PROPOSAL SUBMISSION

Proposals should include the session title, a brief description of the scope and motivation, related topics, biographic and contact information of the organizers.

Papers submitted for special sessions are to be peer reviewed with the same criteria used for the regular sessions.

Accepted papers will be published in the proceedings of the Workshop and the proceedings will be submitted for indexing in the **IEEE Xplore Digital Library**.
